Dear **Hiring Manager,**

I am writing to apply for the **Software Developer Intern** position at your company. As a passionate and dedicated software developer with a strong focus on cloud computing, servers, databases, and back-end development, I am confident in my ability to make a significant contribution to your team.

I am currently pursuing a degree in Computer Science and have developed a wide range of skills, including Full Stack Web Development using technologies such as React, NextJS, TailwindCSS, TypeScript, Node Js, and Go. I am also proficient in C++ for competitive programming and Python for scripting.

I am dedicated to producing work of the highest caliber and continuously advancing my technical abilities. This is demonstrated by my contributions to Open-Source Software Development and my recent qualification for the **Hacktoberfest 2022** organized by **Digital Ocean**, **AppWrite**, and **Docker.**

I am eager to bring my skills and passion for software development to a real-world project and to continue learning and growing as a developer. I am highly skilled in **HTML** & **CSS** & **Tailwind CSS**, **JavaScript** & **TypeScript, React** & **NextJS**, **Vite** & **Parsal**, **Go** (GoLang), **Node Js**, **Express JS**, **Gin** (Go Http Library), **Prisma**, **SQL** (PostgreSQL & Sqlite), **Redis**, **Rest API-**, **Algorithm & Data Structure**, **Git & GitHub**, **Linux & Bash**, **Docker & Containers,** and **Azure**.

Thank you for considering my application. I look forward to the opportunity to discuss my qualifications further and contribute to the success of your company.

Sincerely, Kunal
